When ordering tents for your site, keep the following rules in mind:

Teams

Each team is responsible for obtaining and installing a shade canopy at their site. Exception: AIA Houston will coordinate university student team tents.

- Team Tent: Maximum size is 20' wide x 30' deep and shall be installed just behind the sand sculpting site.
- Additional shade canopies may be installed directly behind the Team Tent.
- Never allow your equipment, including tie-lines, to intrude upon your neighboring team's site.
- Teams will need to let AIA staff know which tent vendor is being used or if you are supplying your own tent. Question can be answered on T-Shirt and Wrist Band Order Form.

Refer to the 2024 Rules for more information

Sponsors

Beach site sizes are according to the Sponsors Level Form. Sponsors are responsible for obtaining and installing a shade canopy at their site.

- Sponsor Tent: Maximum front facing size is dictated by your registered sponsorship level.
- Additional shade canopies may be installed directly behind your tent and within the sponsorship level beach plot.
- Sponsors will need to let AIA staff know which tent vendor is being used or if you are supplying your own tent. Questions can be answered on T-Shirt and Wrist Band Order Form.

Bring your own tent, or choose one of the following tent vendors:

The City of Galveston is requiring a tent permit from each tent vendor and team.

If you choose to bring your own tent or use a tent vendor not listed below, please reach out to jennifer@aiahouston.org.

Sandcastle Tent Packages

We work with the following tent vendors. Billing and pricing are handled by these companies and do not go through the AIA Houston office.
